

Around the world in a week

Yesterday's trip to Yorkshire Wildlife Park was a fantastic success. The children visited areas that linked to Africa, South America, the North Pole and Australia (as well as seeing many exciting animals from all over the world.) This was a great way to kick off this week's theme of 'Around the World.' Throughout the week your child will be taking part in activities that teach them more about the world around us. All classes are taking part so be sure to ask your child about the country that they have been discovering and the different things that they are experiencing. Next week's Prize Giving Ceremony will continue this theme, with several of our musical performances linking to the chosen country of each class.

New Classes

Children spent some time today with their new teacher and class for the 2017-18 academic year. We hope that they found this to be a helpful and enjoyable experience. This should help to put the children at ease for returning to school in September. We were delighted that Miss Cripps was able to come out of her current school to participate in this morning's new class event, and meet her new Year 3/4 class for 2017-18.

Movie Night

A reminder that we would like to invite the children to this week's Movie Night. Our chosen film on this occasion is the 2016 American 3D computer-animated musical comedy 'Sing.' This will take place on **Wednesday 12th July**. The cost of attending is **£1.50 per child** and this will occur between **3.30pm and 5.00pm**. Popcorn and a drink are included within the ticket price. All ages are welcome...but children in Corbett Nursery may only attend if a parent sits with them. (There would be no charge for the parent in this situation.)
