

Staffing announcement – Mrs Brushett

It is with mixed emotions that I announce the news that Mrs Brushett is retiring at the end of the school year.

Mrs Brushett's association with Netherleigh and Rossefield School goes back many years, with her originally attending the school as a child. She then sent her own children to the school during the 1980s and 1990s, as well as beginning her employment as a teacher in this period. In more recent years she has combined teaching duties with the role of Deputy Head.

Mrs Brushett's departure will be felt by colleagues, children and parents. Her many years of dedicated service have made an enormous difference to the lives of many.

Although Mrs Brushett is currently absent from school, we hope to welcome her back in time to give her the send-off that her years of service deserves.

While it will be a very sad day for the school when we say goodbye to Mrs Brushett, we also understand that she is ready for a new chapter in her life. I am sure that you would all like to join me in wishing Mrs Brushett a long, happy and fulfilling retirement.

Dates for the Diary

Monday 8th May 2017

Cartwright class trip to Eden Camp

Wednesday 10th May 2017

Parents Meeting: E Safety Special
8:45am – 9:30am (School hall)

(Movie choice to be confirmed)

Friday 26th May 2017

Break up for half term

Monday 12th June 2017

Return to school after half-term

Parents Association Meeting – E Safety Special

All parents are invited to join Mrs Butt for the Parents Association meeting at 8:45am on Wednesday 10th May. This will take place in the School hall (School building.) The meeting is a great way of making sure that our parents have a voice in terms of how the school is run. We are delighted to say that Mr Sattar is coming to this session to talk to all interested parents about how to ensure that our children can stay safe online. Mr Sattar is a parent of a child in school as well as an expert in ICT, and we are delighted to welcome him for this session. We hope that as many of you as possible are able to come to this meeting, to ensure that we are all doing everything possible to keep our children safe online. Many parents complain that children know more about computers and the internet than the adults – this is an opportunity to help you to change that!

Registering new pupils

Our class lists are filling up for the 2017-18 academic year. We are fielding calls from potential new parents on a daily basis. We are aware that there are several current parents who may well be expecting to enrol younger brothers and sisters of current children. We would of course want to accommodate any younger siblings of our current pupils **but you must complete an admission form and submit an original birth certificate to confirm this place.** Please do this as soon as possible if you are intending to enrol your children, even if it for 2018 – it will come sooner than you think! Many thanks.
