

### Police officer visit

This morning we were visited by PCSO Henegen, who spoke to our children in assembly and then in Nursery about the important work done by Police Officers. This visit was arranged as part of our ongoing approach towards showing the children all of the different people and agencies that work towards keeping them safe. PCSO Henegen also talked about Road Safety (given that this is National Road Safety Week) and how the children can keep themselves safe.

We've currently raised £250 for Children in Need. Well done everyone! We still have a small number of buns left and these are being sold for 25p on a first come, first served basis.

We have finally received all donations and the incredible final total raised for Send a Cow is £1083.46. Sandra Rout from the charity will be coming in on Wednesday to receive this cheque and talk to the children in assembly about the good work done by the charity. Thank you all for your incredible generosity.

### **Mobile phone policy**

A reminder that mobile phones are banned from school premises. If a member of staff sees a parent using a mobile phone anywhere in school buildings or on school grounds (including outdoor areas such as the playground) then we will request that this is stored away in a pocket or bag. When members of staff do this they are carrying out the wishes of the Senior Management Team. Thank you for your cooperation.

PCSO Henegen did the street patrol for us this morning and had to tell one parent that it was dangerous to stop in the middle of the road to let children out. She reported n other concerns, and she will be doing further spot checks of driving/parking outside of school in the coming weeks.
