

Code Breakers!

Nabeerah, Eesa, Mikhaal and Belma from Peel class took part in a special Maths event at Bradford Grammar School last week. The 'Code Breaking Challenge' featured teams from several different schools and challenged the children to solve a series of mathematical puzzles as quickly as possible. Our team won one of the three rounds and acquitted themselves very well throughout. The Mathematics department from Bradford Grammar School messaged our school twitter account (@nandrhead) after the event to say "It was a pleasure to meet your bright students. They have represented your school excellently." Of course, we would expect nothing less from our Head Boy, Head Girl and two prefects! Well done to all concerned.

The cost of attending is **£1.50 per child** and this will occur between **3.45pm and 5.15pm**. Popcorn and a drink are included within the ticket price.

THANK YOU

WE THINK YOU'RE AMAZING

WE ARE MACKAYAN CANCER SUPPORT

We are overwhelmed at your generosity throughout last week's fundraising efforts for Macmillan Cancer Support. £109 was raised on Wednesday alone thanks to our coffee and cake sale, while our non-uniform day raised over £150. Additional donations were made through our two competitions, additional cake sales on Friday and some stand-alone donations. We will inform you of the total amount raised in next week's newsletter – suffice to say that we have raised an incredible amount of money for such a small school. I am sure that Macmillan will be in touch very soon to acknowledge the magnificent fundraising efforts of our school community.
